White Rock Pauses: Looks Back On One Year As City

White Rock celebrates its first birthday as a city today and council took a few minutes off from their regular business Tuesday to look back on one year of progress.

Charles M. Defieux, first provisional mayor of White Rock, addressed council and said he felt sure he spoke for the majority of citizens in saying "I look to the future with every bit of confidence."

Mr. Defieux paid tribute to such pioneers in the incorporation movement as Ald. William Offer, Jim Baker, Len Parker, C. H. McElhinney and Charles Blake.

The former mayor said he sincerely felt the people appreciated the splendid service put forth by the council during the past year.

Mayor William Hodgson said he wished to thank the aldermen and city officials for the fine co-operation and excellent work during the first year of incorporation.

APRIL 13
White Rock became a city at 12:01 a.m. on Monday, April 15, 1957, according to the terms of

the Letters Patent which were issued by the Lieutenant-Governor in Council at Victoria on April 12.

The swearing in ceremony of the provisional mayor and council took place at the city hall on April 17, 1957, with Mr. Justice Harry Sullivan officiating.

City Solicitor

Jackson Resigns

Lorne H. Jackson, Q.C., has resigned as city solicitor for White Rock.

Mr. Jackson told council Tuesday he had been appointed as a magistrate for the City of Vancouver and would be no longer able to continue his duties here.

He said he would complete all present city work with the exception of arbitration, but asked to be relieved of his duties as soon as possible.

Council accepted with "regret" Mr. Jackson's resignation. Mr. Jackson, who resides on Terry Road, has been city solicitor since White Rock's incorporation.

KIM KELLY

REG DAVIES

Reg Davies, mayor of White Rock Teen Town, was elected vice-president of B.C. Teens Associated and president of the Fraser Valley Teens Associated at the 13th annual B.C. Teen Town Convention held at Penikese, April 9-11.

Kim Kelly of White Rock was named vice-president of the Fraser Valley group. Next year's competition will be held at White Rock, the mayor reports.

Some 37 delegates from the local Teen Town, the largest representation in the province, attended the convention. Total membership at the rally was 179.

White Rock captured an award for the best booth at the convention and were also honored for the best promotional effort.

Reg gave city council a report of the convention Tuesday outlining the sessions held to acquaint delegates with Teen Town procedure.

White Rock Players Club Invited To Dominion Festival; Need \$2,000

White Rock Players Club must raise \$2,000 within the next three weeks in order to take advantage of an invitation to participate in the Dominion Drama Festival to be held in Halifax, Nova Scotia, May 12-14.

Franklin Johnson, director of the Club, announced Sunday that the players have been invited to present "The Playboy of the Western World" at the Festival. White Rock Centennial Committee was the first to respond to the Club's plea for public support with a donation, Mr. Johnson reports.

The Dominion Drama Festival will grant \$500 to be shared by the local players and the New Westminster Vagabonds, who will also enter the national competition. The B.C. Drama Association has given an additional \$1000 to be shared by the two groups.

DIRECT APPEAL

Director Johnson feels that at least \$2000 will have to be raised locally to meet the expenses of the trip back east.

A direct appeal has been made by the Club to the people of White Rock. Donations may be sent to Post Office Box 17, White Rock, or left at J. P. Mitchell Real Estate office or Amos' Dry Goods on Washington Avenue.

The Club will also hold a raffle and several service clubs are planning bingo games for the players' benefit.

White Rock Players narrowly missed the B.C. Drama Festival

has been invited to Halifax. Franklin Johnson won the best director award and Mrs. Etta Murphy Berg captured the best actress award in this Festival.

Leading members in "Playboy of the Western World" include Geoff Theobald as Christy Mahon, the "playboy" and Etta Murphy Berg as Peggen Mike.

Others in the cast are Neil Primrose, Cy Amos, Dennis Meade, Don Johnson, Bill Hagen, Margaret Primrose, Wynn Tetrault, Vyda Hagan, Phyllis Clifford and Eileen Webb.

City To Ask Ottawa To Provide Beach Access

Council will seek the support of the MP for this riding in asking the Federal Government to provide an approach from the pier to the beach.

Council took this action on Tuesday after City Solicitor Lorne Jackson pointed out the foreshore was the concern of the Provincial Government but the area taken up by the pier was leased by the Federal Government.

Ald. Jessie Lee brought the matter to council, stating she felt some action should be taken in providing a safe access to the beach from the pier.

Mayor William Hodgson said he had met with a Great Northern Railway official Tuesday and was informed the Company would provide steps from their property to the beach providing the city was insured against damage claims should anyone be injured on the steps.

He said Surrey had removed the original steps to the beach erected by a service club and several bathing houses due to the costly instance they were forced to carry.

The Mayor said the cost of insurance and installing steps would have to be discussed with

an engineer should Ottawa decide to give assistance in this matter.

Council Pushes For Arbitration Figures

City council has again been urged to push for completion of arbitration proceedings between White Rock and Surrey as soon as possible.

Solicitor Lorne Jackson told council Tuesday "no progress had been made as far as figures are concerned" after the city received a report from appraiser H. Skelding.

Mr. Jackson said the progress report was a generalization but he had hoped to receive some definite figures by this time.

Ald. Alex Mitchell suggested council contact Mr. Skelding to obtain figures on two items the appraiser had listed in his report.

Ald. Skelding said an appraisal had been reached on truck, graders and other municipal equipment, the municipal hall, fire hall and old people's home.

The airport site, gravel plant and asphalt plant were now under study, the appraiser said.

White Rock Hosts Wolstencroft Gathering

White Rock played host to some 32 salesmen of Wolstencroft Agencies Ltd. recently when the offices of Vancouver, New Westminster, Whalley and the new agency located on Hilltop held their monthly meeting here.

The visitors were headed by James Wolstencroft, managing director of the Company.

Arnie Jeffs, branch manager at White Rock, conducted a 15-car tour through the city and surrounding district, stopping to inspect the new subdivision at Ocean Park.

The firm has already started construction of four NHA homes to be built on choice lots, and plans development of further subdivisions shortly.

The salesmen then adjourned to the White Rock office for an inspection of this modern, new building. They enjoyed a breakfast at the Silver Moon prior to the tour.

Newest member of the staff at White Rock is Jack Burrows.

White Rock Exceeds Red Cross Quota

Mr. Justice Sullivan, Provincial Campaign Chairman of the Red Cross annual drive for funds, reports receipts to date of \$470,000 towards a quota of \$716,100, and with only partial returns from many branches.

"The overall picture is encouraging," said Mr. Justice Sullivan. "There are already 12 branches which have exceeded their quota, including White Rock, Galiano Island, Grand Forks, Keremeos-Cawston, Kyuquot, Pemberton and Roberts Creek with North and West Vancouver getting very close."

Good reports are coming from the many other branches across the province. Victoria, with a quota of \$79,000 has already passed the \$70,000 mark. Vancouver's total to date is \$236,600 towards their target of \$335,000.

"Little Mr. White Rock"

Celebrating his first birthday on the same day as the City of White Rock is Douglas Blaine Kendall, son of Mr. and Mrs. Doug Kendall. Douglas was the first baby born in the city following White Rock's incorporation on April 15, 1957. He is the nephew of Mrs. Fred Phillips, who was the former Connie Whittle, who was the first White Rock girl to enter the PNE contest under the title of "Miss White Rock" instead of "Miss Surrey."

White Rock Amateur Athletic Association will sponsor an "amateur sport week" in this city from April 27 to May 4.

The Association decided at an executive meeting Monday to ask city council to proclaim this week as "amateur sport week" in White Rock.

The organization thought April 27 to May 4 the most suitable week for this purpose as a number of sport activities have already been scheduled for the city at this time.

Cloverdale Little League will hold its opening day parade and first baseball games of the season at Semiahmoo Park on May 3 and Surrey Senior C softball league gets its schedule underway at the Park on May 4.

The Athletic Association will enter a float, depicting many phases of sport, in the Little League parade and will sell membership tickets at the Park on both May 3 and 4. They will also supply personnel to assist with the Little League program.

MEMBERSHIP DRIVE

A membership house-to-house blitz will be held on Thursday, May 1, by the Association and sale of membership

cards will continue on May 3. Mrs. Connie Mathieson and Mr. Larry Walker of the Ways and Means Committee will draw up a route for the canvassers and split the area into zones.

White Rock Teen Town members will be asked to assist with the sale of membership tickets. Permission will be sought to set up ticket booths at Super Valu and Overwater on Hill Top and Calvin's Hardware on Washington Avenue.

BIG WEEK

Numerous other sports events will be staged by the Association to mark the week. They hope to include softball, track and field, and baseball in their program.

The Association plans to continue assisting junior, midge and girls softball this year and will ascertain what other local sport groups wish to affiliate with the parent organization.

A special meeting of the Association will be held on Monday at 8 p.m. at the home of Mrs. Mathieson, 15942 Thrift. All the executive is urged to attend. Representatives from other sport groups in the district will also be invited to this meeting.

The club house of the White Rock Hot Rod Club is ready for operation as soon as members can locate the necessary tools to repair their cars.

Dave Service, vice-president reports the flood has now been laid to the premises at the corner of Brown Road and King George Highway, thanks to local cement contractor Bill Johnson who generously offered the boys the necessary equipment to finish the floor.

The wiring has now been completed, courtesy of Mr. J. Gay, electrician, who donated wiring materials. The roof has also been completed.

Wrenches, torches and sockets, to get the repairs to the cars underway would put the Clubhouse in operation, Dave reports.

The entire cost of the Clubhouse has been met by Club members with members doing all of the construction themselves.

Rebekah Spring Tea A Social Highlight

The annual Spring Tea sponsored by the Peach Arch Rebekah Lodge No. 66 Saturday, April 12, was one of the high lights on last week's social calendar.

The very successful event was officially opened by Mrs. Ivy Biggs, District Deputy President of the Rebekah Assembly of British Columbia, amidst the scents and bright hues of many artistic arrangements of daffodils, tulips and other spring flowers.

Mrs. Dorothy Anderson was general convener for this annual affair. Mrs. Sally Hartnell and Mrs. Jean Coburn welcomed the guests. Mrs. Ada Miller and Mrs. Ena Lewis sold tickets. Mrs. Del Goodman was tea convener.

Stall conveners were, Mrs. Irene Cooper, miscellaneous sewing; Mrs. Dolly Acorn, home baking; Mrs. Edna Crossie, country stall; Mrs. Mitchell, plants and vegetables; Mrs. Marjorie Baker provided incidental music during the afternoon.

Presiding at the tea table were representatives from the Order of the Eastern Star; the W.A. of the White Rock Hospital Society; the L.A. of the Canadian Legion, and the Ladies Orange Lodge, and the Noble Grands from Rebekah Lodges of New Westminster, Cloverdale, Ladner and Blaine, Washington.

Prize winners were Robert Cooper, water set; Mrs. E. Dirks, Blaine, Washington, the hand made flower basket; Mrs. Evelyn Schou Rebekah Assembly Marshall, was twice lucky winning the Angel Food cake and also the door prize, a set of silver spoons.

Hospital Auxiliary To Present Country Fair

The White Rock District Hospital Auxiliary, which is celebrating their tenth anniversary will combine with the Centennial theme to try to have this year's Fair on May 3 the largest ever presented.

Auxiliary president, Mrs. Paul Starek, who is the general convener, will be assisted by Mrs. S. B. Sampson the convener

and Mrs. C. Arnold, floor convener. The 18 groups who make up the Hospital Auxiliary will have a variety of articles for sale, including home baking, plants, aprons, raffles and miscellaneous items.

A new idea called the "penny parade" will be tried for the first time this year. Each group will be responsible for decorating their own stall.

As the Auxiliary's Fair will feature two themes, the public should see a variety of decorations throughout the Silver Moon.

Tea, which is an important event at the Country Fair, will be supervised by Mrs. S. S. Simpson, assisted by Mrs. J. P. Baker and Mrs. D. Johnstone

Semiahmoo Trail Maps Seen By Historical Association

The White Rock Branch of the B.C. Historical Society was entertained at the home of Mrs. Bessie Marcus on Monday night.

A letter from the Hon. H. H. Stevens was read, regretting that pressure of business prevented him from attending the meeting to add his reminiscences of White Rock as he knew it.

The papers on the history of the White Rock United Church and the Presbyterian Church were not available but material was sent to prepare such papers. Mrs. J. D. McMillan reported that she would have her paper ready for the next meeting.

The report on the Semiahmoo Trail was given by Patrick Hanley. He brought two valuable maps which showed the trail from the days of the Truth surveys. These were to be filed in the Society's Archives.

He also reported that he had been able to find many traces of the trail passing over lots already built upon.

The thanks of the committee were sent to the history staff at the New Westminster Land Office for the help in the re-

search and to the Municipal Hall for the help of Mrs. Norma Angus and others of Mr. Percy Livingston's staff.

TRAIL STORIES

The suggestion was made during the discussion that an effort now be made to establish the length of the trail from the Brown Road to the Semiahmoo Indian Reserve. Ray Stewart was appointed chairman of a new committee to search for stories of the trail with a view to one day completing a book tentatively entitled "Tales of the Semiahmoo Trail."

He was to select any members for his committee who would further this purpose. George Thrift told of his experiences driving over the Semiahmoo Trail when it was a four horse stage road from New Westminster to Blaine.

Mrs. Constance Cox read a paper she is giving at Langley on the Overland Telegraph. Some discussion took place over the proposed moving of the White Rock. This was not considered favorably owing to the tremendous weight of the rock and the fact that it was known to have disintegrated since the early days.

The next meeting of the society will be held at the home of Mr. and Mrs. George Thrift on May 12.

White Rock Couple Join Ripple Rock Viewers

E. E. Mason, 14056 Terry Road, White Rock, together with his wife were among the 87 first-hand witnesses of the Ripple Rock blast, result of which has thrilled navigators the world over.

Mr. Mason is a partner with Dr. Victor Dolgago, consultant engineer for the project. Mr. Mason was appointed by Ottawa two and one half years ago to work in a supervisory capacity. Since that time he has visited the site every now and then to check on operations.

Seven wives of officials joined their husbands on location for the red letter day when the project's completion would be finalized in one mammoth blast.

Mrs. Mason was on hand with Lt. Governor Frank Ross and Mrs. Ross; Mr. Howard Green, Minister of Public Works, and Mrs. Green; Mrs. A. W. Walker, wife of the District Engineer, Dept. of Public Works, Vancouver; Mrs. Bickle, wife of the chief American explosive expert.

Speaking strictly from a woman's point of view, Mrs. Mason points out that the final successful blast was a great relief in view of the 2 1/2 years of doubt wondering whether or not the project would be successful.

The explosion is described as "very, very wonderful," by Mrs. Mason. She reports that following the burst of explosives

there was a very curious moment when the vengeance of the explosion seemed to move directly towards them in the wake of the thunderous roar. For a quick moment panic seemed to freeze the onlookers as they silently questioned: "What have we started?"

Relief followed instantly when it was apparent the pinnacle of the rock had been successfully removed and the thunderous waves ebbed as they reached the shoreline.

Mr. Mason has had other important roles in the development of this country. During the war years he was in charge of mining into operation, the only one of its kind in the northern hemisphere at that time.

Library Reading Club Ends Season

The Library Reading Club, with Hugh Skelton in the chair ended its season on a very happy note.

Mrs. Gill gave a most interesting and vivid review of three historic novels.

In "Katherine" Anya Seton paints a broad canvas of the times of Lancasters and Wat Tyler's rebellion.

Nora Lofts "Scent of Cloves" is a tense drama of the rich Dutch East Indies during Cromwell's time.

Daphne Du Maurier's "Scapgoat" deals with an Englishman, obliged to take the place of a French nobleman whom he resembles. His success of conquering the evil he finds her and his unwilling return to his true love in life.

The Club will hold no further meetings until October 8.

Queen's Totem Pole Gets Royal Send-off

The Queen's totem pole will get a royal send-off from Victoria April 21.

The gift of the people of British Columbia to Queen Elizabeth, a foot long for each of the province's 100 years, skillfully fashioned by one of the last of the great Indian carvers, Kwakiutl chief Mungo Martin, will be the central figure in a 10:30 a.m. ceremony at the Legislative Buildings.

The totem will be hauled from Thudunderbird Park where it is now undergoing final painting, to the steps of the buildings. It will be given a parade through the streets.

Premier W. A. C. Bennett and members of the legislature will be at the ceremony.

Some 500 school children and two bands will assist with the send-off. So will representatives of Indian tribes and Indian dancers in their native costumes.

Rev. Peter Kelly, who recently opened the new White Rock United Church, will give one of the addresses.

Following the ceremony, the totem will be taken to Ogden Point docks, where the Furness Withy ship Pacific Unity will be waiting, with special cradles for the totem to keep it from bending, to transport the gift to England.

The totem is one of two giant

The other has been carved into an exact replica of the "Royal Totem." It will stand in Vancouver's Stanley Park.

Rev. A. R. Laing, F.Ph.S., who
recently delivered a series of
messages in a five-day mission
here, has been appointed mis-
tress of the First White Rock

in March after six years with
the church and 50 years in the
ministry.

Rev. Laing has been in
charge of the Grandview Unit-
ed Church since 1956. He came
to Canada from London, Eng-
land six years ago.

Before coming to this coun-
try, Rev. Laing was a congrega-

tional minister, working out of
Flet Street.

He served in London as a
Congregational minister and
was an R.A.F. chaplain at
Croydon during the war.

Since coming to this country
Rev. Laing has written for the
Canadian Press and the United

frequently on radio.

Mayor, Mrs. Hodgson Entertain at "Birthday"

Mayor William Hodgson and
Mrs. Hodgson entertained a
large gathering of city digi-
taries, officials, provisional
council members at their home
on Washington Avenue Tues-
day night on the occasion of
White Rock's first birthday as
a city today.

Highlight of the evening was
the cutting of a beautiful birth-
day cake which had been pre-
pared artistically in two parts.
On one was a miniature white
rock done in white icing with
"1957" written delicately on the
side in silver candy finish. On
the other, was a tiny replica of
the City Hall, complete with
flag. The numbers "1958"
were written on the side with
similar silver candy beads.

Charles M. Defieux, first pro-
visional mayor of White Rock
proposed toasts to the present
city council and to the City of
White Rock.
